Take the A7 motorway to the exit signposted Kiel - A215. At the end of the A 215 (just before you reach IKEA), turn right onto the B76 towards Ostufers/Lübeck. Follow the B76 for approx. 10 km until you see a Shell service station on the left-hand side. Then take the next exit signposted "Klausdorf/Gewerbegebiet". Attention: keep in the right-hand lane - do not drive into the roundabout! Then turn right again towards Klausdorf. At the first set of traffic lights, turn right towards "Gewerbegebiet Wasserwerksweg" and then turn left after 600 m into "Wasserwerksweg". Go straight on for 300 m, then turn left into "Ritzebeker Weg". After approx. 600 m you will see IBAKmarine on the left-hand side.
